**THE GRADUATE ADMISSIONS COMMITTEE**

Dear Sir/Madam,

**LETTER OF RECOMMENDATION FOR MR. DENNIS AKOWUAH**

It pleases me to write a few lines on the above-mentioned candidate who has applied for admission into your institution.

Mr. Dennis Akowuah completed BSc. Mathematics degree with First-Class Honors from the Kwame Nkrumah University of Science and Technology, Kumasi-Ghana in 2020. I taught him Mathematical Methods and Topology during undergraduate studies and he performed very well.

Dennis showed extremely high level of intellectual curiosity, independence and self-motivation throughout the time I taught him. His readiness to perform both academic and social assignments is very commendable. No doubt he rose through the ranks and became one of the best students in the courses from his class, due to his outstanding academic performance.

His standard of English is very good both at the oral and written levels; English is the medium of instruction in all Ghanaian institutions from the primary to the tertiary levels. He was a hardworking and dedicated individual who takes his duties and assignments very serious.

I strongly recommend him for admission and any financial assistantship he may require to pursue his academic goals.

Yours sincerely,

**REV. PROF. WILLIAM OBENG-DENTEH**  
ASSOCIATE PROFESSOR
